RE: Docket No. 42102, *Railroad Salvage & Restoration, Inc.* -Petition for  
Declaratory Order—Reasonableness of Demurrage Charges  
Docket No. 42103, *G.F. Wiedeman International, Inc.* -Petition for  
Declaratory Order—Reasonableness of Demurrage Charges

Dear Acting Secretary Quinlan

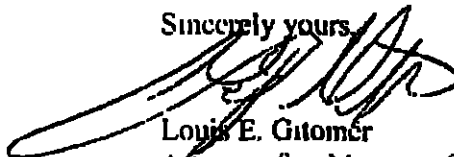

Pursuant to the decision served on April 10, 2008, the Board reinstated the procedural schedule in the above-entitled proceedings. The staff of Missouri & Northern Arkansas Railroad Company, Inc. ("MNA") has been dealing with the flooding of its lines in Missouri during the past several weeks. Because of the dedication of personnel to restoring rail service in the aftermath of the floods, MNA will not be able to obtain all of documents needed to respond to the discovery sought by Railroad Salvage & Restoration, Inc. and G.F. Wiedeman International, Inc. (jointly "Petitioners") by April 18, 2008.

Counsel for MNA and Petitioners have conferred and agreed to a modification to the schedule announced by the Board today. The parties respectfully request the Surface Transportation Board to extend the date for the completion of discovery to April 30, 2008, and to extend the date for Petitioners to file their opening statements to June 3, 2008. The remainder of the schedule would stay the same.

I am authorized to state that counsel for Petitioners agrees to the above-described extension.

Thank you for your assistance. If you have any questions please call or email me.

Sincerely yours,

Louis E. Gitomer  
Attorney for Missouri & Northern Arkansas  
Railroad Company, Inc.
